

Presentation to the Danish Management society

Richard Emerton
Korn Ferry

2017

The four critical traits of tomorrow's chief executives

Purpose: Translating individual purpose into a common purpose to engage the organisation

Agility: Constant future focus on innovation and change. Ability to self-disrupt. Fail fast.

Team: Chief Executive as coach. Beyond level 5 leader.
Leadership team an extension of the CEO

Humanity: Understand and protect social license to operate. See business as a force for good.
