SHDRPY

A man with a wide-eyed, surprised expression is shown from the chest up. He is wearing a light-colored shirt with dark horizontal stripes on the sleeves. A complex mechanical device, resembling a typewriter or a piece of early computer hardware, is clamped into his mouth. The device has various gears, levers, and a long, thin rod extending from it. The background is dark and out of focus, with some mechanical parts visible on the right side. The overall tone is sepia or aged yellow.
