THE CONCEPT OF RESPONSIBLE INVESTMENT

VERSION 1.0

Blacklisting and exclusion

- > But exclusions only means that stocks are owned by *less* responsible investors

VERSION 2.0

Active ownership, engagement and dialogue

- > Dialogue with companies
- > Voting on shareholder meetings
- > Focus on "ESG"
Environment,
Social issues,
Good Governance

VERSION 3.0

Impact investing – measuring the impact on SDGs

- > *Do good and do well*
